

Aunty Kath

By Dave Nicholls and THSPS students © 2015

This is a song about an Elder we know
A lovely lady she is
All of us, are guided by her
Sharing stories of life

Her smile it lights up the day
The children sing and play
Her smile it lights up the day
Aunty Kath is on her way

This gentle lady takes care of us all
We all value her dearly
She is happy to share her time
And we love her so much

Her smile it lights up the day
The children sing and play
Her smile it lights up the day
Aunty Kath is on her way

We all respect what she's done for us
It's great to have her near
She is so special at Tweed Heads South
An Elder of our community

Her smile it lights up the day
The children sing and play
Her smile it lights up the day
Aunty Kath is on her way
Aunty Kath is on her way
Aunty Kath is on her way
