

PARENTING COURSES

Circle of Security Parenting

Tuesdays October 20–December 8, 12.30pm–2.30pm

The Circle of Security parenting program is based on decades of research on children 0-5 years showing how secure parent/carer-child relationships can be supported and strengthened. Parents/carers will learn how to understand their child's emotional world by learning to read emotional needs, support their child's ability to manage emotions and enhance the development of their child's self-esteem. Parents/carers will also learn to honour their own innate wisdom and fulfil their desire for their child to be secure. Eight 2 hour sessions.
