Emergencies can happen at any time. Do you know how to get in touch with your family if you are not together?

Pick a Meeting Spot

Where will you meet up with your family if you have to get out of your house quickly? Where will you meet if your neighborhood is being evacuated and you're not at home?

In your neighborhood:
(such as neighbor's house or big tree)

Out of your neighborhood: (such as the library or house of worship)

**Text,
don't talk!**

Let them know you're OK!

Pick the same person for each family member to contact. It might be easier to reach someone who's out of town.

Unless you are in immediate danger, consider sending a text. Texts often have an easier time getting through during emergencies.
